

St. Paul's Academy

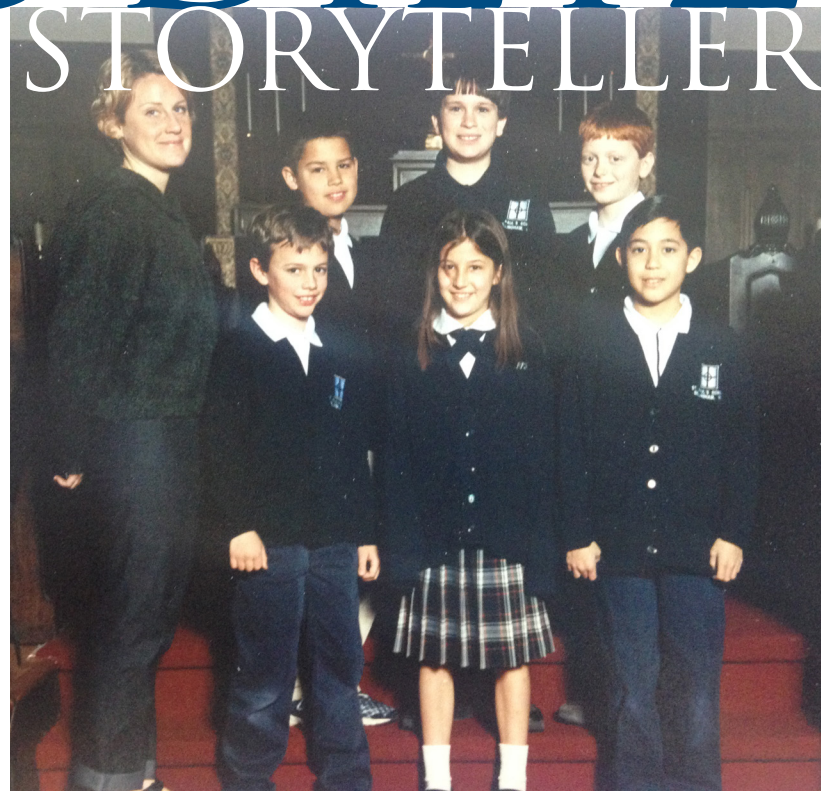

# SPA TALKS

A PLATFORM WHERE IDEAS AND INSPIRATION ARE SHARED

FRIDAY | SEPTEMBER 9TH | 6:30–7:30 PM

St. Paul's Academy | Markell Hall | 1509 E. Victor Street

# STERLING DIETZ

Sterling Dietz will provide a special evening magic performance for our St. Paul's Academy families, community, and alumni by addressing the Core Commitment of CREATE as the eighth speaker in the series of SPA TALKS (*A Platform Where Ideas and Inspiration are Shared*).

A magician, storyteller and entertainer, Sterling has gained international exposure. As a young boy at age 13, he was taken to a theater magic show on a local school field trip and walked away feeling like he found his instant calling. The creative craft of magic spoke to him. One year later he found himself on the international magic scene and was awarded the title, *World Teen Champion of Magic*. After high school graduation he relocated to Los Cabos, Mexico to perform full time. Some of you might have seen him entertain locally at the Lynden Fair.

Sterling travels extensively throughout the United States, enchanting audiences with his "*Magic of Sterling*." Come join us as he creatively weaves stories filled with drama, comedy, and illusions suitable for the entire family. Experience the magic as you're transported to a time and place filled with wonder and amazement.

This event is set up for our St. Paul's community. If families want to bring a close friend along to the event, they are encouraged to do so. Donations at the event are appreciated.
